Sir,

Subject Appointment of an Assistant Hackney Carriage Inspector

I have the honour to state that the appointment of an Assistant Hackney Carriage Inspector, was sanctioned in Council Resolution No 821 dated 29th May 1944 for a period of three months to be present at the Railway station at all train times and direct the tongas to play at scheduled rates as this was found necessary in view of the abnormal rise in the tonga fares

As the period of sanction expires on 16-9-1944, the Vice President sent up a note dated 23rd August 1944, that it is very necessary to continue the post for another six months to control the abnormal rates demanded by the tonga vallas and to assist the Hackney Carriage Inspector in checking tongas and other unregistered vehicles

The subject was placed before the Council at their meeting held on 26th August 1944, when it was resolved to continue the post for a further period of six months In forwarding herewith a copy of the Resolution No 157 dated 26th August 1944, I request you to be so good as to obtain sanction of Government thereto, at an early date The extra cost on this account, will be met out of the savings under E(8) 'Public Conveyances of the current year budget
